Lunches & Snacks: Campers should bring their own lunches and water bottles—they are expected to carry their water bottles with them throughout the day.

Special Needs: For your child’s safety and enjoyment, a certified therapist or legal guardian is permitted to attend camp (at no additional charge) with your special needs camper. This person must be listed on the registration form with your child and a copy of their certification and ID must be provided. Although we make every effort to accommodate persons with physical disabilities, Adventure Camp is outdoors on uneven terrain and involves a lot of walking.
