## VENUES TO RENT

### Overlook

Panoramic windows, large fireplace and an outdoor deck make this a spacious yet intimate temperature-controlled venue. It best accommodates up to 120 guests. The outdoor deck provides additional casual seating with the 1859 Balloon Voyage as the backdrop.

### Woodland Hall

This large, pillar-free space has neutral décor and large picture windows overlooking Conner Prairie’s pastoral grounds. Maximum capacity is 200-250 guests, depending on room arrangement. Woodland North and South can be used as one open space or sub-divided into two rooms.

### Featherston Barn

The roughly hewn posts with solid wood flooring and oversized doors open up onto scenic woodlands and a spacious patio, setting the stage for a picturesque picnic or elegantly rustic dinner. It accommodates up to 112 guests allowing for a buffet and dance area. The adjacent 2,000 square foot patio serves as the perfect location for outdoor games, entertainment, or seating for additional guests.

### Picnic Pavilions (Bayt, Hilltop, Small Shelter)

Three sizes of pavilions suit groups from 40 to 300+ people, each with their own unique amenity of either a nearby playground, fire pit, sand volleyball court or fireplace. General admission is required during public hours.

### Prairie House

This newly renovated log cabin has a vaulted ceiling and deck overlooking scenic woodlands. The space, with its own private parking area, best accommodates up to 120 guests. The adjacent grassy area serves as the perfect intimate location for outdoor ceremonies, games, entertainment, seasonal use of a fire pit, or additional seating. Prairie House is not available for rent June through August.

### The Bluffs at Conner Prairie “Chinese House”

Conner Prairie has partnered with Ritz Charles to renovate and expand Eli Lilly’s historic Chinese House located on the grounds of Conner Prairie.
