

Episode 12: A U-turn on Sesame Street with Dr. Charlene Fletcher

Dr Fletcher is back for our final episode of the season! The history of Sesame Street is the topic of today's conversation. Back in 1969 when the show was launched it was focused on underserved children to supplement absent preschool services. However, today it's been moved behind a paywall. So, let's figure out how we got to Sesame Street and where it's headed...
