GENERAL GUIDELINES

EEO Policy
Conner Prairie does not discriminate in volunteer opportunities or practices on the basis of race, color, religion, sex, national origin, age, disability, sexual orientation, marital status, veteran status or any other characteristic protected by federal or state law. Conner Prairie will make reasonable accommodations for qualified individuals with known disabilities unless doing so would result in an undue hardship for the organization. Contact the volunteer office with any questions or requests.

DEAI Commitment Statement
The board, executives, staff and volunteers of Conner Prairie firmly believe that its mission is expansive – that the past we share encompasses all communities and cultures, and that the individualized experiences we provide are for all people. We believe this mission compels us to create and maintain a culture that values everyone by actively challenging and responding to bias, harassment, and discrimination. Therefore, we will embrace, model, and lead ongoing diversity and inclusion efforts that respect and welcome all regardless of age, citizenship, ethnicity, gender identity, marital status, nationality, physical, mental and learning ability, race, religion, sexual orientation, and socioeconomic status. All volunteers must agree to and sign the Conner Prairie DEAI statement in order to volunteer.

Parking
Volunteers are given instructions seasonally about where to park for daytime and special event shifts. Parking locations vary depending on size of event and stages of the Museum Experience Center renovation and expansion project. Please check Volgistics and/or your weekly emails for the latest updates on parking.

Dress Code
All volunteers receive their first Conner Prairie volunteer polo shirt for free. Please wear the shirt when volunteering for any post that involves interacting with the public. This helps our guests and staff in identifying you as a volunteer. In most assignments, you may wear khaki, white, black, or blue jean bottoms – including knee length shorts or skirts. Certain special events may require that you wear khakis. This will be noted in the instructions for these positions. It is not necessary to wear your volunteer shirt if helping in an activity without guest interaction. Extra shirts and other optional volunteer clothing items may be purchased for a fee.
Visit https://connerprairieadultvolunteer.itemorder.com/shop/home/ to view options and purchase items. Clothing is shipped to Conner Prairie and you will be notified when it has arrived. Any non-Conner Prairie hats must be logo free.

Please note: This handbook covers general guidelines and policies that apply to all volunteers. Additional information, guidelines and policies that pertain to specific areas will be addressed within those departments.
Name Badges
Conner Prairie volunteers receive a name badge that identifies you as a volunteer. Due to increased concerns for safety and security, you must always wear your badge when volunteering at Conner Prairie. Your badge is also used as identification to receive discounts in the Conner Prairie Store and at Café on the Common. If you lose your badge, please notify Volunteer Services immediately to have a new one issued.

Be Prepared for Indiana Weather
When volunteering for a special event or program, especially an outdoor post, remember that weather on the prairie may be unpredictable so dress accordingly. Summer days will likely require sunscreen and evenings may get quite chilly. Also, remember to bring a water bottle and wear comfortable shoes when volunteering.

Non-Smoking Policy
In accordance with Indiana state law, Conner Prairie is a smoke-free and tobacco-free environment. This includes e-cigarettes and vaping. We prohibit the use of smoking devices and tobacco within the facilities and on the grounds with the exception of inside your own personal automobile.

Drug and Alcohol Use
While volunteering, you must be both drug and alcohol-free. Volunteers are required to report to Conner Prairie in appropriate mental and physical condition to perform their assigned duties in a satisfactory manner. Use of prescribed drugs is permitted on Conner Prairie property only if it does not impair one’s ability to perform the essential functions of their assigned duties effectively and in a safe manner that does not endanger the volunteer, staff or other individuals.

Social Media Policy
As a volunteer, you help represent the brand and voice of Conner Prairie, whether you are speaking to someone, wearing Conner Prairie attire in public or sharing thoughts and experiences on social media. Conner Prairie encourages the use of social media to share information, photos and videos with those who visit or might in the future. **Conner Prairie has an established Staff and Volunteer Social Media policy which will be provided during orientation.**

Any of your online activity that adversely affects your performance, the performance of employees and fellow volunteers or otherwise adversely affects members, customers, vendors, people who work on behalf of Conner Prairie or Conner Prairie’s brand, overall reputation, standing in the community, overall business operations or general business interests may result in prohibiting you from volunteering for Conner Prairie in the future.

Sexual and Other Harassment Policies
Conner Prairie is committed to providing a harassment-free environment. Conner Prairie strictly prohibits any type of harassment, discrimination, or retaliation as protected by both federal and state laws. If you feel that you have been the victim of harassment, discrimination, or retaliation please contact Carol Noel in Volunteer Services or Shelby Slowik in Human Resources.
Emergency/Safety/Security Procedures

The role of a volunteer during an emergency is to alert the appropriate Conner Prairie staff member and then follow their directions. Volunteers are typically posted with or near a paid staff member, or have been trained to use our two-way radio system. The Safety and Security Manager is called the 405.

Closing and/or Cancellation of Programs or Events

In the rare event that a program is canceled due to the weather, the event manager has been given your phone number and will attempt to contact you. If you question whether the event is still taking place, call Conner Prairie at 317.776.6000 and ask Guest Services (before 5 pm) or the operator (after 5 pm). Event cancellations, including Jupiter Flights, Headless Horseman, and A Merry Prairie Holiday are posted on our social media channels.

Photo Release

All volunteers have signed a photo release prior to volunteering at Conner Prairie. This release allows any images taken of you to be used in publications by or about Conner Prairie. If you do not want your picture taken for this purpose, please notify the photographer should you find yourself in such a position.

Importance of Communicating Changes in Contact Information

It is essential that volunteers notify Volunteer Services of any changes in contact information such as mailing address, telephone numbers, email address and emergency contact information. Current information is essential so we are able to contact you, or your emergency contact, if needed.

Volunteer Golf Cart/Tractor Operation

When driving Conner Prairie vehicles, you are expected to exercise care and follow all operating instructions, safety standards and guidelines.

- Before operating any Conner Prairie vehicle, you must first indicate your interest to volunteer department staff. To be approved to drive a Conner Prairie vehicle, volunteers must pass a driver’s license check, attend any required training and sign a liability waiver.
- The improper, careless, negligent, destructive or unsafe use or operation of vehicles may result in disciplinary action, up to and including termination of volunteer status.
- In case of an accident in a Conner Prairie vehicle, please notify your staff supervisor immediately. All accident reports should be completed immediately.
Customer Service Expectations
As a volunteer, you are a Conner Prairie customer service ambassador! Our Opening Doors philosophy supports ensuring the best experience is received by all. Making a good first impression is essential. First impressions are formed within seven (7) seconds of an interaction. Your non-verbal cues such as facial expression and body language can have even greater impact than what you say. Whether interacting with a guest or employee, the following customer service tools should be employed to ensure service excellence:

1. **Empathy and Patience:** Take your communication cues from the guest or employee and interact accordingly. Whether confused, curious, frustrated, happy or even angry, show each person empathy and patience when providing assistance.

2. **Adaptability:** Realize every guest and employee is different. A communication style that works well in one interaction, may not work for another. Don’t be afraid to adjust accordingly.

3. **Positivity:** Always be positive no matter what situation arises. Attitudes are infectious. If you remain positive during a challenging communication exchange, it is more likely to end positively.

4. **Knowledge:** Knowledge is power. Keep updated on all things Conner Prairie. If you don’t know something, don’t make up an answer, find out. You have many resources available to you.

5. **Respect:** Show respect for all diversity and treat people fairly, equally and without discrimination.

Volunteer Conduct Policy
To ensure the best possible environment for all volunteers, we expect you to follow rules of conduct that will protect the interest and safety of all volunteers and Conner Prairie, whether on- or off-site. Although it is not possible to list all the forms of behavior that are considered unacceptable, the following are some examples of conduct that may result in ending your volunteer status:

- Disrespectful treatment of (or behavior towards) a guest, program participant, employee or another Conner Prairie volunteer.
- Theft of property.
- Working under the influence of alcohol or illegal drugs.
- Fighting or threatening violence.
- Violation of safety rules.
- Sexual or other unlawful harassment.
- Possession of dangerous or unauthorized materials on Conner Prairie property such as explosives or firearms.

Termination of Volunteer Status
The ending of volunteer status may occur for a number of legitimate reasons including but not limited to those listed above. Termination may transpire by either:

- Voluntary written notification ending volunteer status initiated by the volunteer.
- Revocation of volunteer status initiated by Conner Prairie due to conduct considered unacceptable by the organization, or failing to meet the minimum annual service requirements.

YOUR FIRST DAY OR ASSIGNMENT
Where you report on your first day depends on the post and/or event for which you are volunteering.

Volunteering in a Departmental assignment, you will be given check in instructions about where to meet the departmental staff you will be working with.
Volunteering for a special event, instructions specific to that event such as what to wear, where to report and other important details, will appear in Volgistics when you select your shift and job. You do not need to report earlier than the start time of your assigned shift.

Regardless of your assignment, if you have any questions, please contact Volunteer Services BEFORE you are scheduled to volunteer.

RECORDING DONATED HOURS / VOLGISTICS INSTRUCTIONS
Recording your donated time is an important part of volunteering. The hours you volunteer are considered an in-kind donation. Besides being used to recognize our dedicated volunteers, this information assists Conner Prairie in applying for grants and other types of funding, a big part of our annual revenue. Annual hours demonstrate the amount of community involvement the museum receives. Volunteer hours are recorded in Volgistics, a web-based scheduling and record keeping system. Each volunteer is responsible for entering their hours each time they volunteer. This may be done from a home computer, smartphone, tablet, or anywhere with Internet access. There is also a touchscreen computer monitor located in the Welcome Center for signing in and out. Instructions for using Volgistics are as follows.

Setting Up Your Profile and Password
• Following orientation, ALL volunteers will receive an email with a temporary password from the volunteer department.
• This email includes a link to use when accessing Volgistics from your home computer, tablet or smartphone. Save it in your web favorites for quick access or on your desktop, or download the VicNet app on your smartphone.
• Your login is always your email address.
• The first time you sign in using the temporary password it will prompt you to immediately change it. Your personal password may be anything you choose, preferably something you will easily remember. Volunteer staff does not have access to your passwords.
• When you login to Volgistics for the first time, check all of the contact information on your profile page and change anything that is incorrect. Always click “save” after changing information.
• If more than one person in your household volunteers and you use the same email address, you will both use that email as your login but MUST have different passwords.
• If you volunteer at another organization that uses Volgistics and your email is also your login there, you must use a different password at Conner Prairie.

Many, but not all positions are scheduled through Volgistics. Some jobs are scheduled with individual department staff. All hours must still be recorded in Volgistics.
Recording Volunteer Hours
To record hours, login to your volunteer page, click on Service. Then click the date you volunteered, the time you started and the time you finished, then choose the job you did from the drop-down menu.

Volgistics PIN
Your Volgistics PIN is only needed at the touch-screen computer, located in the HR Hub. It is used for signing in and out. The PIN is not needed to do anything from your home computer. The PIN you have been assigned is the primary phone number in your volunteer record, entered without the area code and without a dash (i.e. 7766000).

Signing up for a shift in Volgistics
Emails will be sent when events have been posted in the system and you are able to self-schedule. Please do not sign up for event shifts before receiving this email. When you sign up for an open position in Volgistics, you are both scheduled and confirmed. Following are the basic instructions:

- REMEMBER to save the link for Volgistics on your computer, tablet or phone, or download the VicNet app. These are the only ways to access the system specific to Conner Prairie.
- Sign in using your email address as the login, and the password you chose.
- Click on Schedule.
- Search openings by event, or by the month in which the event takes place (i.e. October for Headless Horseman).
- Green icons saying # Openings appear on dates with open volunteer shifts.
- Click on a date that you want to volunteer.
- Only open positions/shifts on that date will appear.
- If you want to see a position description, click on the position name and a description will pop up.
- When you see the date and position that you want, click on the green “schedule me” bar.
- The scheduled position will pop up and ask you to confirm that the information is correct. When you click “yes”, you are scheduled for that shift.
- You may only sign up for one day at a time so if you want multiple dates/shifts, you have to repeat this process. It only takes a few minutes.
- Volgistics automatically sends out schedule reminders at the beginning of each month, and several days before your scheduled shifts.
- Always check the “description” section when signing up for a shift. It lists the information regarding training, where to sign in, park, who you report to, etc.
